## JOURNEY

Every story begins with a journey and ours started more than a century ago. The paths we've travelled have led us to the road we are on.

We've crossed seas to distant lands, transforming ourselves into a global conglomerate with three businesses and a worldwide presence in over 30 countries.

During the course of our journey we've always set high standards and lived up to them time and again. We inspire confidence in our brands, developments and expertise, passionately striving to be the best at what we do and committing ourselves completely to deliver value to all our stakeholders.

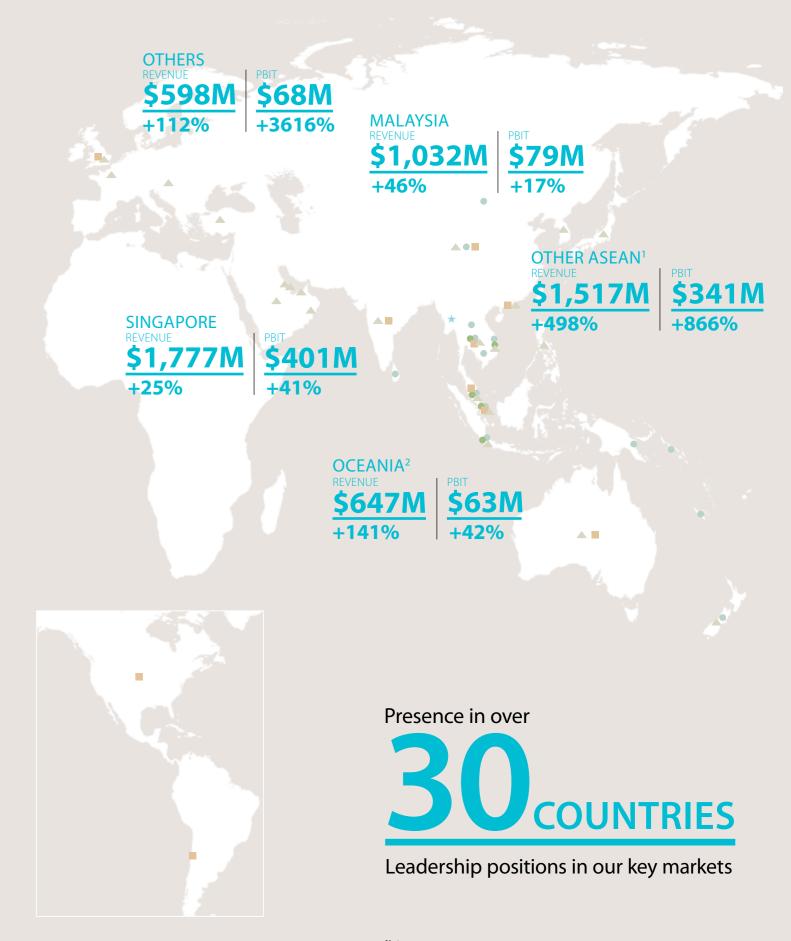

As we forge ahead, we will not shy from challenges, rest on our laurels or be confined in our imagination to deliver the inspirations of tomorrow. For we know that every step we take, our journey continues to gather momentum.
