As at 8 December 2025 (the “**Latest Practicable Date**”), the Company had 1,577,230 treasury shares and no subsidiary holdings.
- The Ordinary Resolution proposed in item 7 above is to authorise the Directors of the Company to offer and grant awards and to issue ordinary shares of the Company pursuant to the F&N Restricted Share Plan 2019 (the “**F&N RSP 2019**”), provided that the aggregate number of new ordinary shares allotted and issued and/or to be allotted and issued, when aggregated with existing ordinary shares (including shares held in treasury) delivered and/or to be delivered, pursuant to the F&N RSP 2019, shall not exceed 8% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

Purely for illustrative purposes only, the financial effects of an assumed purchase or acquisition of (i) 29,104,940 ordinary shares on the Latest Practicable Date, representing 2% of the issued ordinary shares (excluding treasury shares) as at that date, and (ii) 101,867,293 ordinary shares on the Latest Practicable Date, representing 7% of the issued ordinary shares (excluding treasury shares) as at that date, at the maximum price of S\$1.55 for one ordinary share (being the price equivalent to 5% above the average of the closing market prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the Singapore Exchange Securities Trading Limited immediately preceding the Latest Practicable Date), in the case of a market purchase and an off-market purchase respectively, based on the audited financial statements of the Company and its subsidiaries for the financial year ended 30 September 2025 and certain assumptions, are set out in paragraph 3.7 of the Letter.
